

5.7 HECTARES OF LAND

Massive Green Wedge opportunity

Located within the rural/market garden precinct, this site is ideal for special uses, including but not limited to market gardens, florists/nurseries, churches or any number of places of assembly.

Don't miss out on this rare chance, in such a great location!

Western Highway, HORSHAM

MORE THAN 24,000m² OVER TWO ALLOTMENTS

Join Bluescope Steel

This fantastic rural site located at the gateway to Horsham, consists of two large allotments with a total area of over 24,200m².

The site and its location suits a variety of uses, including showrooms/trade sales outlets, or an industrial development.

Bluescope Steel have just opened their new distribution centre on the neighbouring site.
