

BERWICK HOUSE

HOTEL-STYLE LIVING AT BERWICK HOUSE - COMING SOON

Designed by Cottee Parker Architects, Berwick House is a stunning 8-storey residential building that exudes class from the outside in. The building is complete with a rooftop oasis featuring a lavish pool, viewing deck overlooking the CBD, a yoga lawn and BBQ areas for entertaining.

Berwick House has 110 apartments and 127 car parks to be used across the residential and retail space. One, two and three bedroom apartments are available with many including studies, providing the luxury of additional space in inner-city homes that is hard to come by.

Perfectly situated for the urban professional, Berwick House is in the middle of Brisbane's bustling night life precinct with close proximity to James Street Precinct and Howard Smith Wharves and is surrounded by renowned restaurants and bars.
